Temporary 5 MPH Speed Limit on Folsom Lake

FOLSOM: – Due to extreme amounts of floating debris, the vessel speed limit on Folsom Lake has been reduced to 5 miles per hour.

The winter storms have deposited large amounts of trees, logs and other floating debris into Folsom Lake which have become navigational hazards. We recommend that all boaters use extreme caution while operating on the lake. Many logs are partially submerged and cannot be seen from the surface of the lake.

This temporary speed limit will be lifted once normal conditions return to the lake.

Folsom Lake State Recreation Area Office is at 7806 Folsom-Auburn Road in Folsom. For more information, call (916) 988-0205.
